

Virgin Islands Waste Management Authority

Job Vacancy Announcement

Fleet Mechanic II

St. Thomas

SALARY: \$46,358.68.00

CLASSIFICATION: Classified

DEADLINE: April 17, 2020

Fleet Mechanic II - Repair, service and perform major and minor repairs to the Authority's fleet of vehicles and equipment, including automobiles, heavy equipment, emergency equipment, and other power-driven equipment. This is a full journey level class within the Fleet Mechanic series. This class is distinguished from the Fleet Mechanic I by the assignment of the full range of duties assigned and the ability to work in the absence of supervision.

DUTIES AND RESPONSIBILITIES:

- Inspects the Authority's fleet and related equipment to identify and determine the extent of necessary overhaul or repairs.
- Performs general overhaul and repair work on gasoline and diesel-powered engines, as found in automobiles, large trucks, heavy equipment and other mechanical equipment at the Authority's vehicle repair and maintenance facilities, satellite locations and off-site locations.
- Repairs cooling, fuel, electrical, hydraulic and exhaust systems, brakes and front end, tunes engines using standard testing equipment and other mechanical parts.
- Performs preventative maintenance work on the Authority's fleet of vehicles.
- Fabricates as accessories and tools as necessary.
- Pick up and deliver vehicles and parts.
- Cleans and maintains the fleet maintenance area, tools and equipment.
- Assists the Fleet Manager in performing inventory, ordering and controlling equipment, tools, supplies and materials for the vehicle repair shop and maintenance facility.
- Researches, compares, and locates parts, equipment and vehicles.
- Performs recordkeeping on all maintenance and repair work performed.
- Performs work safely in accordance with established safety procedures.
- Performs related duties as required

**EDUCATION AND EXPERIENCE:**

- High School diploma or GED is required.
- Three (3) years of general fleet maintenance and repair.
- A valid U.S. Virgin Islands Driver's License is required.
- Automotive Service Excellence (ASE) certification preferred.
