VIRGIN ISLANDS WASTE MANAGEMENT AUTHORITY

INVITATION FOR BIDS

DATE: November 10th, 2025

IFB NUMBER: IFB-001-T-2026

PROJECT NAME: Pedrito A. Francois (Red Point) Generator - Equipment Acquisition

Bids, for the work described herein will be received electronically in PDF format to sdavid@viwma.org and mvante@viwma.org on or before **Wednesday, December 10th, 2025 at 12:00 P.M. Atlantic Standard Time**. Any bid received after the time and date specified shall not be considered.

All questions pertaining to the scope of services to be rendered should be directed to Michael Vante, Contract & Inventory Manager at mvante@viwma.org on or before **Tuesday, November 18th, 2025 at 5:00PM AST**. Responses to questions will be forwarded in the form of an Addendum to those parties who have confirmed interest.

All documents contained in the Contract Document book are made a part of this Invitation and by this reference incorporated herein as fully and effectively as set forth in detail. The bidder's attention is directed to the fact that all applicable municipal ordinances, and the rules and regulations of all authority having jurisdiction over construction of the project shall apply to Contract throughout, and they will be deemed to be included in the Contract the same as though herein written out in full.

1.0 PROJECT SUMMARY

The Virgin Islands Waste Management Authority ("VIWMA") is soliciting sealed bids from qualified and licensed Vendors ("Respondents") to supply the replacement of the emergency generator that provides Emergency power when utility power fails at Pedrito A. Francois (Red Point) Wastewater Treatment Plant for the island of St Thomas, United States Virgin Islands. Interested Vendors that respond to this IFB ("Respondents") shall have the qualifications, experience and ability to supply equipment and materials related to the purchase and installation of the requested emergency generator.

3.0 SCOPE OF WORK

The Virgin Islands Waste Management Authority (VIWMA) maintains a complex equipment and infrastructure system. It transports wastewater from the wastewater collection system to the wastewater treatment plants for processing to ensure safe effluent discharge into the environment. The collection system consists of gravity and pressure pipes of various sizes and several pump stations. Wastewater treatment plants remove impurities from wastewater or sewage before they reach aquifers or natural bodies of water such as rivers, lakes, estuaries, and oceans. All the equipment of the Wastewater Treatment plant is critical to the operational reliability and efficiency. The continued sewage flow to the treatment plant is desired for optimal treatment. Any mechanical or electrical failures for an extended period could result in untreated sewage discharge into our oceans.

VIWMA is seeking to replace the emergency generator that provides Emergency power when utility power fails at Pedrito A. Francois (Red Point) Wastewater Treatment Plant:

The reasons:

1. Significantly increase operational reliability and reduce hazardous threats to the environment and public health in case of a power failure.
2. Significantly reduce non-compliance (wastewater over-flow).

The scope generally consists of purchasing equipment, shipping it to St. Thomas, US Virgin Islands, and installing it at the Pedrito A. Francois (Red Point) Wastewater Treatment Plant.

The contract scope shall include equipment purchasing and all the shipping logistics required to ship the equipment to the US Virgin Islands. The vendor or contractor shall provide:

- a) Cost for items noted in the attached Bid Schedule
- b) The equipment specifications in the attached specification sheet until the title of "Vendor"
- c) Pictures, brochures, or drawings of the equipment
- d) Remove existing equipment
- e) Installation and commissioning of equipment

Use of Equipment

The equipment will be replacing the existing generator at the Pedrito A. Francois (Red Point) Wastewater treatment plant. See the Pictures attached.

Additional Notes:

1. The contractor or vendor shall provide the cost for each item noted on the bid schedule.
2. The contractor or vendor can bid on selected item listed on the bid schedule.
3. The contractor or vendor shall provide the shipping cost for the equipment being shipped to the St. Thomas, US Virgin Islands and provide that cost on the bid schedule.
4. The contractor or vendor shall coordinate the shipping logistics required to have the equipment shipped to the US Virgin Islands, specifically St. Thomas.
5. The contractor or vendor shall provide adequate packing to minimize any damages to the equipment.
6. The contractor or vendor shall install the equipment to ensure proper operation of equipment (this includes all the necessary tools and hardware).

7. The contractor or vendor shall provide:

- a. A manufacturing schedule of the equipment
- b. A delivery schedule for the equipment to the Virgin Islands
- c. Specifications of the equipment
- d. Drawings of the equipment (if applicable)
- e. Operating procedures of the equipment
- f. Recommended spare parts list of the equipment
- g. Operator training for the equipment
- h. All applicable warranties for the equipment

8. Shipping & Installation Costs are included in equipment costs as noted in the bid sheet.

4.0 QUALIFICATIONS

The selected Respondent must be able to adequately demonstrate their experience in their bid submittal.

A. Required Minimum Qualifications of Respondent

The following subsections are required minimum qualifications:

1. Respondents shall attach their license to do business or copy of their application for a license. Respondents should give a brief description of their company including brief history, corporate or organization structure, number of years in business. If the Respondent is partnering or subcontracting with any other entity, provide the information described above for each such entity.
2. The Respondent should also be registered with a valid System for Award Management (SAM) number.
3. Respondents that are corporations, partnerships, or any other legal entity, domestic or foreign, shall be properly registered to do business in the area in which they are incorporated at the time of the submission of their responses to this IFB. Such respondents shall attach a Business License (relevant to the SOW) and a Certificate of Good Standing from their respective jurisdictions to their bid submissions.
4. Respondent can comply with the required or proposed delivery or performance schedule, taking into consideration all existing commercial and governmental business commitments.
5. Respondent has a satisfactory performance record.
6. Respondent has a satisfactory record of integrity and business ethics.
7. Respondent has the necessary organization, experience, operational controls, and other necessary technical skills, or the ability to obtain them.
8. Respondent has established prior experience in successfully performing the scope of services requested.
9. Respondent and its employees hold and maintain any and all territorial, federal, state, and local licenses or certifications as required to perform the services requested.

10. Respondent is otherwise qualified and eligible to receive an award under applicable laws and regulations.
11. Respondent can comply with the required or proposed delivery or performance schedule, taking into consideration all existing commercial and governmental business commitments.
12. Respondent has adequate staffing to provide the required services throughout the entire contract term.
13. Respondents must not be debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in any federal or local programs in the Territory or any Federal department or agency.

5.0 PRICE AND PAYMENT

Respondents must submit **Enclosure Document (F)** Bid Sheet for costs associated with all required specifications outlined within the IFB. Respondents should also submit a payment schedule in conjunction with Enclosure Document F & G outlining proposed progress payments based on the manufacturing and equipment delivery schedules.

The contract or purchase order will be funded, in whole or in part, by federal funds. Therefore, funding and payment of the contract will be based on requirements and availability of the federal funding sources utilized by VIWMA. The prime Contractor is responsible for submitting all required documentation for payment to VIWMA. The contract requires compliance with federal terms and conditions for federal grants such as 2 CFR 200. Please note, the information requested in the cost sheet may not necessarily reflect what the structure of the final contract or purchase order will be.

6.0 NOTICE OF FEDERAL GUIDELINES

Because the contract is being funded with federal funds, the contract shall be governed by certain federal terms and conditions for federal grants, including 2 CFR 200 and other applicable OMB circulars. Respondent shall provide a description of experience with such grant requirements and affirmatively represent and certify that the respondent shall adhere to any requirements of applicable federal requirements. In addition, this IFB is intended to be conducted in accordance to 2 CFR 200 and the resulting contract will contain the required contract provisions. The successful contractor will be required to abide by the federal rules and regulations which govern this construction project.

7.0 CONFLICT OF INTEREST

A respondent submitting a bid hereby certifies that no officer, agent or employee of VIWMA has a pecuniary interest in this bid or has participated in contract negotiations on behalf of the WMA; that the bid is made in good faith without fraud, collusion, or connection of any kind with any other Bidder for the same request for proposals; the Bidder is competing solely in its own behalf without connection with, or obligation to, any undisclosed person or firm.

8.0 LIQUIDATED DAMAGES

It shall be agreed by and between the parties that liquidated damages will be assessed in the amount of Five Hundred Dollars (\$500.00) per day as a result of delays, or failure to complete the service within the specified period of time. Liquidated damages will not be assessed during any delay in performance of the services caused by acts of God, the public enemy, fire, floods, epidemics, quarantine restrictions, supplier's or vendors strikes, freight embargoes, or other cause beyond the Contractor's reasonable control. The Contractor shall make every reasonable effort to mitigate the effects of said causes. The selected Contractor shall not be assessed with liquidated damages for delay in performance of the services caused by failure of the Authority to provide or perform those items of work required of the Authority under the contract. The Contractor shall have no claim for any additional compensation for any such delay.

9.0 REQUIRED DOCUMENTS

Respondent shall be required to submit the following documents:

- A. Corporate Documents** – The successful respondent will be required to provide a copy of their Corporate Documents.
 - a. Provide a copy of Corporate Documents
 - i. Corporation
 - 1. Copy of Articles of Incorporation & Bylaws
 - ii. Limited Liability Company
 - 1. Copy of Articles of Organization
 - 2. Copy of Operating Agreement
 - iii. Sole Proprietorship
 - 1. Copy of Trade Name Certificate
- B. Business License-** The successful respondent will be required to provide a copy of their Business License. **An award will not be made to any firm or individual doing business in the Virgin Islands to perform work with the Authority until evidence is submitted that said firm or individual has a valid V.I. Business License to do business in the Virgin Islands.**
- C. Letter of Good Standing if Corporation or Certificate of Existence if Limited Liability Company (LLC)** - The successful respondent will be required to provide a copy of their Letter of Good Standing or Certificate of Existence. A copy of the receipt that demonstrates evidence of filing the company's Annual Report on June 30th of the current Year from the Office of Lieutenant Governor (or their operating jurisdiction) will be acceptable as well.
- D. Social Security Number (SSN) or Employer Identification Number (EIN)** - The successful respondent will be required to provide an official copy of their SSN or EIN.
- E. Liability Insurance** – The successful respondent will be required to obtain and have in place Liability Insurance in an amount no less than One Million (1,000,000.00) Dollars.

The Insurance policy shall name the WMA as an “Additional Insured”. The successful respondent must provide a copy of the Liability Insurance.

F. Workers' Compensation Insurance – The successful respondent will be required to obtain and have in place Workers' Compensation Insurance coverage.

G. CAGE Number– The successful respondent will be required to submit a Valid CAGE Number that is actively registered on SAM.GOV
<https://www.sam.gov/SAM/pages/public/index.jsf>

10.0 CONTRACTOR’S RESPONSIBILITIES

- Bear all cost related to the preparation and submission of the bid package in response to this IFB solicitation.
- Provide a completed “Base Bid Sheet” with a price guaranteed for 90 days and provide the documentation as specified in this IFB solicitation.
- Pay all taxes and fees as required by the local and federal statutes.
- Obtain and provide a copy of current Liability Insurance to cover any claims and damages occasioned by executing the Scope of Work.
- Provide acceptable workmanship, according to “Industry Standards” in each Trade or Scope of Work.
- Provide written proof of equipment lead time from manufacturer to justify timeframe for equipment acquisition.
- Remedy and repair any defects in materials or workmanship, without expense to WMA, no later than thirty (30) days after receipt of a written notice of a defect and provide a warranty on such repairs.
- Transfer all manufacturer warranties for all equipment acquisitions to VIWMA.

11.0 VIWMA’s RESPONSIBILITIES

- The Equipment Specifications shall be provided by VIWMA.

12.0 INVITATION FOR BID SCHEDULE

The following dates are proposed by the VIWMA Procurement Division. The deadlines associated with this IFB are further outlined below:

IFB SCHEDULE	DATES	TIMES
IFB Advertisement Date	Monday, November 10, 2025	
Final Date to submit written questions	Tuesday, November 25, 2025	5:00 PM
IFB Submittal Deadline	Wednesday, December 10, 2025	12:00 PM

The VIWMA reserves the right to change the IFB Schedule by issuing an Addendum at any time.

13.0 ISSUING AND PROCURING OFFICE

This IFB is being issued for the VIWMA. All general correspondence and inquiries about the IFB should be submitted via email and sent to:

Michael Vante, Contract & Inventory Manager
Virgin Islands Waste Management Authority
7410 Estate Bovoni, Bay 2
St. Thomas, VI 00802
Phone (340) 715-9191 Fax (340) 715-9179
Email: mvante@viwma.org
Mark subject line for email "IFB-001-T-2026"

From the issue date of this IFB until a determination is made regarding the selection of a Respondent, refer all contacts concerning this RFP to Sandra David, Procurement Director at sdavid@viwma.org or Michael Vante, Contract & Inventory Manager at mvante@viwma.org. Any violation of this condition is cause for the VIWMA to reject a Respondent's package. The VIWMA will NOT be responsible for any oral information given by any employees.

Failure to ask questions, request changes or submit objections shall constitute the acceptance of all terms, conditions and requirements in this IFB. The issuance of a written addendum by the VIWMA is the only official method by which interpretation, clarification or additional information can be given. If the VIWMA amends this IFB, they will email the addenda to all potential Respondents. The WMA will **not** be held responsible if any potential respondent does not check the website on a regular basis for all addenda. It is the responsibility of the potential respondents to update all contact information, contact the Procurement/Contract Officer to ensure that they receive all addenda prior to the submittal of the bid package, and/or check VIWMA's website for updates. The bid package will be considered non-responsive if all modifications are not incorporated.

15.0 FORMAT OF BID PACKAGE

To be considered for award, the bid package shall meet the following requirements. Failure to meet the requirements as outlined will disqualify the respondent.

A. IFB Cover Letter - Complete Enclosure Document A.

B. Commitment Statement Letter – The Commitment Statement letter should be on the company's letterhead with contact information and must be signed by an officer of the organization that is authorized to bind the company contractually to all of the commitments made in its submittal. The letter shall also include a statement of understanding of the work to be done and to certify that the company shall adhere to all the terms and conditions governing the contract. It shall state that the firm will be solely responsible for all aspects of the engagement including any portion that may be performed by its subcontractors, if any. It should make a positive commitment to perform the work required as specified to industry standards of workmanship and in a professional manner. It should also state that the bid package will remain in effect for a period of 90 days from the submission deadline and thereafter, until the firm withdraws it, or a contract is

approved and executed, or the procurement is canceled, whichever occurs first. Respondent shall also confirm that the firm has not engaged in any unethical practices within the past five (5) years.

C. Non-Collusive Affidavit – Complete Enclosure Document B. The form must be notarized.

D. Debarment Certification Form – Complete Enclosure Document C. The form must be notarized.

E. Contract Document Checklist Form – Complete Enclosure Document D and submit your current Business License. For this section, Respondent must provide evidence that the company is licensed to provide the requested equipment. The Business License must be relevant to the Scope of Work for this solicitation.

F. Contractor's Qualifications Statement Form – Complete Enclosure Document E. For the Reference Section of the form, you must provide three (3) reference letters for the most recent, relevant work comparable to the scope requested in this IFB whom would be willing to discuss your company's competency and performance. If you currently have more than three (3) references, a client listing with contact information should be provided as well.

G. Bid Sheet – Complete Enclosure Document F. All bid pricing must be valid for 90 days from the submission deadline and thereafter until the company withdraws it, a purchase order is approved and executed, or the procurement is canceled, whichever occurs first.

Each respondent must adhere to the requirements of this section relative to the bid package content and format in order to simplify the review process and facilitate the maximum degree of comparison. Respondents should ensure that their bid package closely follows the sequence and organizational outline described in this section.

H. Other Required Documents – Respondents must submit all required documentation outlined within the Scope of Work Notes, Equipment Specifications and Procurement Requirements.

16.0 DELIVERY OF BID PACKAGES

All responses to this IFB are to be submitted, via electronic .pdf , no later than **12:00 p.m. AST on Wednesday, December 10th, 2025**. This acquisition and installation of all equipment is expected to be completed in about seven (7) months or less. Submittals must be made via email and contain a single pdf document submission including technical specifications and a detailed pricing submittal (cost proposal). All bid pricing must be valid for 90 days. VIWMA will **not** consider e-mail submission of a bid received after the bid due date.

Bid Packages must be submitted to:

SEALED BIDS – DO NOT OPEN
Virgin Islands Waste Management Authority
7410 Estate Bovoni, Bay 2
St. Thomas, VI 00802

Attention:
Sandra David, Procurement Director
Michael Vante, Contract & Inventory Manager
Procurement Division
IFB-001-T-2026
Pedrito A. Francois (Red Point) Generator Equipment Acquisition

The email must be clearly marked. Failure to clearly mark each email submission with this information may cause the VIWMA to inadvertently open the bid package before official closing date and time. The WMA will log all received bid packages with the date and time of receipt. Bids received after the official deadline will be considered **LATE** and will **not** be opened or considered.

17.0 SELECTION PROCESS

The WMA's Evaluation Committee Panel is responsible for evaluating all respondents' submittals. The Evaluation Committee Panel will consider the following criteria:

- Contractor is duly organized, validly existing, qualified and licensed to conduct business.
- Experience, including references, in providing the types of services detailed herein.
- Understanding of the services requested (including completeness and clarity of submissions), and qualitative nature of the services proposed
- Ability to provide services in a timely manner
- **Lowest reasonable price and responsive bid package.**

18.0 RIGHT TO REJECT BID PACKAGES

The WMA reserves the right to reject, without prejudice, any and all bids submitted in response to this solicitation. Further, bids submitted in response to this solicitation become the property of the WMA and the WMA may use any idea or concept in a submitted bid, regardless of whether that bid is selected for award.
