Description of Work

Nadir Pump Station Equipment Upgrade on St. Thomas, VI.

Information regarding bidding documents

Bidding documents can be obtained Procurement Division, Virgin Islands Waste Management Authority’s website www.viwma.org .

All documents contained in the Contract Document book are made a part of this Invitation and by this reference incorporated herein as fully and effectively as if set forth in detail. The bidder’s attention is directed to the fact that all applicable municipal ordinances, and the rules and regulations of all authority having jurisdiction over construction of the project shall apply to Contract throughout, and they will be deemed to be included in the Contract the same as though herein written out in full.

Bidders must return the following documents properly executed as required by the appropriate instructions. The documents shall remain bound and returned in the contract document book as received by the bidder from the Department of Property and Procurement

1. Invitation for Bids
2. Contractor’s Qualification Statement (P&P-CQS-1973)
4. Bid Bond (Form Attached)
5. Non-Collusion Affidavit (DPP-NCA-52-75)

6. Bid Form and Schedule

7. Safety Plan

PREFERRED BIDDERS

All persons seeking preferred bidder's status must submit a preferred bidder's registration form and a federal W-9 form to VIWMA's Procurement & Property Division and comply with the requirements for preferred bidders pursuant to 31 V.I.C. § 236a, as amended.

Bonds

Each bid must be accompanied by a bid guarantee payable to the Virgin Islands Waste Management Authority. The bid guarantee shall be in an amount of not less than five percent (5%) of the total bid. The five percent (5%) Bid Bond will only be accepted in the form of a firm commitment, such as a Bid Bond, Postal Money Order, Certified Check, Cashier's Check or Irrevocable Letter of Credit. If Individual Sureties execute the Bid Bond, they shall be two or more responsible persons. A complete Affidavit of Individual Surety shall accompany the bond. Corporations executing the bond must be duly licensed to do business in the Territory of the Virgin Islands.

LICENSE REQUIREMENT

An award will not be made to any firm or individual doing business in the Virgin Islands to perform work with the Authority until evidence is submitted that the said firm or individual has a valid V.I. Business License to do business in the Virgin Islands. Proposers must submit hard copy of a valid V.I. business license within ten (10) working days after award.

All Proposers submitting as Joint Ventures must be licensed as a Joint Venture in the Virgin Islands.

PERFORMANCE BOND

A performance bond in the amount of 100% of the total cost submitted shall be required upon award of a contract. The enclosed form shall be used for construction work or the furnishing of supplies or services, whenever a performance bond is required. There shall be no deviation from this form except as authorized by the Virgin Islands Waste Management Authority.

The surety on the bond may be any corporation authorized under the laws of the Government of the Virgin Islands, any State or possession of the United States, or by the Secretary of the Treasury to act a surety, or two responsible sureties. Where individual sureties are used, this bond must be accompanied by a complete Affidavit of Individual Surety for each individual surety (Standard Form).

The name, including full Christian name, business or residence address of each individual party to the bond shall be inserted in the space provided therefor, and each such party shall sign the bond with his usual signature on the line opposite the scroll seal, and if signed in the United States Virgin Islands, and adhesive seal shall be affixed opposite the signature.

If the principals are partners, their individual names shall appear in the space provided therefor, with the recital that they are partners composing a firm, naming it, and all the members of the firm shall execute the bond as individuals.

If the principal or surety is a corporation, the name of the State in which incorporated shall be inserted in the space provided therefor and said instrument shall be executed and attested under the corporate seal as indicated on the form. If the corporation has no corporate seal the fact shall be stated, in which case a scroll or adhesive seal shall appear following the corporate name.

The official character and authority of the person or persons executing the bond for the principal, if a corporation, shall be certified by the secretary or assistant secretary, according to the form herein provided. In lieu of such certificate there may be attached to the bond copies of so much of the records of the corporation as will show the official character and authority of the officer signing, duly certified by the secretary or assistant secretary, under the corporate seal, to be true copies.

The date of this bond must not be prior to the date of the instrument in connection with which it is given.

LIQUIDATED DAMAGES

- a.** It shall be agreed by and between the parties that liquidated damages will be assessed in the amount of Two Hundred Dollars (\$200.00) per day as a result of delays, or failure to complete the service within the specified period of time. Liquidated damages will not be assessed during any delay in performance of the services caused by acts of God, the public enemy, fire, floods, epidemics, quarantine restrictions, supplier's or vendors strikes, freight embargoes, or other cause beyond the Contractor's reasonable control. The Contractor shall make every reasonable effort to mitigate the effects of said causes.
- b.** The selected Contractor shall not be assessed with liquidated damages for delay in performance of the service caused by heavy rains, provided, however, that the Contractor notifies and receives approval from the Executive Director or her designee at the time of the incident, to be confirmed later in writing, each and every time that the Contractor desires relief as a result of said rains. The Executive Director's decision as to what constitutes a heavy rain event for this purpose shall be final.
- c.** The selected Contractor shall not be assessed with liquidated damages for delay in performance of the services caused by failure of the Authority to provide or perform those items of work required of the Authority under the contract. The Contractor shall have no claim for any additional compensation for any such delay.

REQUIRED DOCUMENTS

PUBLIC LIABILITY: The successful Proposer will be required to obtain and have in place public liability insurance and other insurance necessary as requested in this proposal package. Insurance policy(ies) shall name the Authority as “**Additional Insured**”. The liability insurance shall have a minimum limit of not less than One Million Dollars (\$1,000,000.00) for any one occurrence for death or personal injury and One Million Dollars (\$1,000,000.00) for any one occurrence for property damage. Bidder must provide public liability insurance within ten (10) working days after award.

Davis-Bacon Act (DBA) 1931

1. Contractor shall be responsible for maintaining weekly certified payroll records which must include:

- Any wages paid to employees
- Employee’s name
- Last four digits of the employee’s Social Security number
- The number of hours worked each day, and number of hours worked for the week
- Employee’s hourly rate of pay
- Employee’s job classification
- Any fringe benefits paid to employees

During a week of no work, the payroll reporting form must be submitted the usual way with insertion “NO WORK PERFORMED THIS WEEK” and “FINAL” on the last invoice.

The Act requires that contractors pay the prevailing wage, according to their skills, to its workers; failure to comply shall be reason for withheld payments, contract termination, and debarment from future federal contracts for up to three years.

Bid Withdrawal

No Bidder will be allowed to withdraw his bid within a period of Sixty (60) calendar days following the date set for the opening thereof.

Right of Rejection

Virgin Islands Waste Management Authority reserves the right to reject any or all bids if deemed to be in the best interest of the Authority.

BID BOND

KNOW ALL MEN BY THESE PRESENTS, that we, the undersigned, _____
 _____ as Principal, and
 _____ as Surety, are hereby
 held and firmly bound unto _____ as OWNER
 in the penal sum of _____

for the payment of which, well and truly to be made, we hereby jointly and severally bind ourselves, successors and assigns.

Signed, this _____ day of _____

The Condition of the above obligation is such that whereas the Principal has submitted to

_____ a certain BID, attached hereto and hereby made a part hereof to enter into a contract in writing, for the _____

NOW, THEREFORE,

- (a) If said BID shall be rejected, or
- (b) If said BID shall be accepted and the Principal shall execute and deliver a contract in the Form of Contract attached hereto (Properly completed in accordance with said BID) and shall furnish a BOND for faithful performance of said contract, and for the payment of all persons performing labor or furnishing materials in connection therewith, and shall in all other respects perform the agreement created by the acceptance of said BID, then this obligation shall be void, otherwise, the same shall remain in force and effect; it being expressly understood and agreed that the liability of the Surety for any and all claims hereunder shall, in no event, exceed the penal amount of this obligation as herein stated.

The Surety, for value received, hereby stipulates and agrees that the obligations of said Surety and its BOND shall be in no way impaired or affected by any extension of the time within which the OWNER may accept such BID; and said Surety does hereby waive notice of any such extension.

IN WITNESS WHEREOF, the Principal and the Surety have hereunto set their hands and seals, and such of them as are corporations have caused their corporate seals to be hereto affixed and these presents to be signed by their proper officers, the day and year first set forth above.

SECTION 00801
TERMINATION OF CONTRACTS

_____0_____

CONVENIENCE OF THE AUTHORITY

(a) The performance of work under this contract may be terminated by the Authority in accordance with this clause in whole, or from time to time in part, whenever the Contracting Officer shall determine that such termination is in the best interest of the Authority. Any such termination shall be effected by delivery to the Contractor of a Notice of Termination specifying the extent to which performance of work under the contract is terminated, and the date upon which such termination becomes effective.

(b) After receipt of a Notice of Termination, and except as otherwise directed by the Contracting Officer, the Contractor shall:

- (i) stop work under the contract on the date and to the extent specified in the Notice of Termination;
- (ii) place no further orders or subcontracts for materials, services or facilities, except as may be necessary for completion of such portion of the work under the contract as is not terminated;
- (iii) terminate all orders and subcontracts to the extent that they relate to the performance of work terminated by the Notice of Termination;
- (iv) assign for the Authority, in the manner, at the times, and to the extent directed by the Contracting Officer, all of the right title, and interest of the Contractor under the orders and subcontracts so terminated, in which case the Authority shall have the right, in its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts;
- (v) settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts with the approval or ratification of the Contracting Officer, to the extent, he may require, which approval or ratification shall be final for all the purposes of this clause;
- (vi) transfer title and deliver to the Authority in the manner, at the times, and to the extent, if any, directed by the Contracting Officer (A) the fabricated or unfabricated parts, work in process, completed work, supplies, and other material produced as part of, or acquired in connection with performance of, the work terminated by the Notice of Termination, and (B) the completed or partially completed plans, drawings, information, and other property which, if the contract had been completed, would have been required to be furnished to the Authority.

TERMINATION OF CONTRACTS

- (vii) use his best efforts to sell, in manner, at the times, to the extent, and at the price or prices directed or authorized by the Executive Director, any property of the types referred to in (vi) above; provided, however, that the Contractor (A) shall not be required to extend credit to any purchaser, and (B) may acquire any such property under the conditions prescribe by and at the price or prices approved by the Executive Director and provided further that the proceeds of any such transfer or disposition shall be applied in reduction of any payments to be made by the Authority to the Contractor under this contract or shall otherwise be credited to the price or cost of the work covered by this contract or paid in such other manner as the Executive Director may direct;
- (viii) completed performance of such part of the work as shall not have been terminated by the Notice of Termination; and
- (ix) take such action as may be necessary, or as the Executive Director may direct, for the protection and preservation of the property related to this contract which is in the possession of the Contractor and in which the Authority has or may acquire an interest.

(c) After receipt of a Notice of Termination, the Contractor shall submit to the Executive Director his termination claim, in the form and with certification prescribed by the Executive Director. Such claim shall be submitted property but in no event later than one year from the effective date of termination, unless one or more extensions in writing are granted by the Executive Director, upon request of the Contractor made in writing within such one year period or authorized extension thereof. However, if the Executive Director determines that the facts justify such action he may receive and act upon any such termination claim at any time after such one year period or any extension thereof. Upon failure of the Contractor to submit his termination claim within the time allowed, the Executive Director may determine, on the basis of information available to him, the amount, if any, due to the Contractor by reason of the termination and shall thereupon pay to the Contractor the amount so determined.

(d) Subject to the provisions of paragraph (c), the Contractor and the Executive Director may agree upon the whole or any part of the amount or amounts to be paid to the Contractor by reason of the total or partial termination of work pursuant to this clause, which amount or amounts may include a reasonable allowance for profit on work done; provided, that such agreed amount or amounts, exclusive of settlement costs, shall not exceed the total contract price as reduced by the amount of payments otherwise accordingly, and the contractor shall be paid the agreed amount. Nothing in paragraph (e) of this clause, prescribing the amount to be paid to the Contractor in the event of failure of the Contractor and the Executive Director to agree upon the whole amount to be paid to the Contractor by reason of termination of work pursuant to this clause, shall be deemed to limit, restrict or otherwise determine or affect the amount or amounts which may be agreed upon to be paid to the Contractor pursuant to this paragraph (d).

(e) In the event of the failure of the contractor and the Executive Director to agree as

TERMINATION OF CONTRACTS

provided in paragraph (d) upon the whole amount to be paid to the Contractor by reason of the termination of work pursuant to this clause, the Executive Director shall pay to the Contractor the amounts determined by him as follows; but without duplication of any amounts agreed upon in accordance with paragraph (d).

- (i) for completed supplies, materials and equipment or services accepted by the Authority (or sold or acquired as provided in paragraph (b) (vii) above) and not theretofore paid for, a sum equivalent to the aggregate price for such supplies or appropriately adjusted for any saving of freight or other charges.
- (ii) the total of:
 - (A) the costs incurred in the performance of the work terminated, including initial costs and preparatory expense allocable thereto, but exclusive of any costs attributable to supplies or services paid or to be paid for under paragraph (e) (I) hereof;
 - (B) the cost of settling and paying claims arising out of the termination of work under subcontracts or orders, as provided in paragraph (b) (v) above, which are property chargeable to the terminated portion of the contract (exclusive of amounts paid or payable on account of supplies or materials delivered or services furnished by subcontractors or vendors prior to the effective date of the Notice of Termination, which amounts shall be included in the costs payable under (A) above; and
 - (C) a sum, as profit on (A) above, determined by the Contracting Officer to be fair and reasonable; provided, however, that if it appears that the Contractor would have sustained a loss on the entire contract had it been completed, no appropriate adjustment shall be made reducing the amount of the settlement to reflect the indicate rate of loss; and
- (iii) the reasonable costs of settlement, including accounting, legal, clerical, and other expenses reasonably necessary for the preparation of settlement claims and supporting data with respect to the terminated portion of the contract and for the termination and settlement of subcontract thereunder, together with reasonable storage, transportation and other costs incurred in connection with the protection or disposition of property allocable to this contract.

INSTRUCTION

1. This form shall be used for construction work or the furnishing of supplies or services, whenever a performance bond is required. There shall be no deviation from this form except as authorized by the Virgin Islands Waste Management Authority.

2. The surety on the bond may be any corporation authorized under the laws of the Government of the Virgin Islands, any State or possession of the United States, or by the Secretary of the Treasury to act as surety, or two responsible individual sureties. Where individual sureties are used, this bond must be accompanied by a complete Affidavit of Individual Surety for each individual surety (Standard Form).

3. The name, including full Christian name, and business or residence address of each individual party to the bond shall be inserted in the space provided therefor, and each such party shall sign the bond with his usual signature on the line opposite the scroll seal, and if signed in Maine or New Hampshire, and adhesive seal shall be affixed opposite the signature.

4. If the principals are partners, their individual names shall appear in the space provided therefor, with the recital that they are partners composing a firm, naming it, and all the members of the firm shall execute the bond as individuals.

5. If the principal or surety is a corporation, the name of the State in which incorporated shall be inserted in the space provided therefor, and said instrument shall be executed and attested under the corporate seal as indicated in the form. If the corporation has no corporate seal the fact shall be stated, in which case a scroll or adhesive seal shall appear following the corporate name.

6. The official character and authority of the person or persons executing the bond for the principal, if a corporation, shall be certified by the secretary or assistant secretary, according to the form herein provided. In lieu of such certificate there may be attached to the bond copies of so much of the records of the corporation as will show the official character and authority of the officer signing, duly certified by the secretary or assistant secretary, under the corporate seal, to be true copies.

7. The date of this bond must not be prior to the date of the instrument in connection with which it is given.

3200 Demarara, Charlotte Amalie, St Thomas, VI**

**NADIR PUMP STATION EQUIPMENT UPGRADE
SCOPE OF WORK**

Scope of Project:

The Virgin Island Waste Management Authority is seeking bids for a Contractor to procure and replace submersible pumps and a bar screen at the Nadir Pump Station located on the island of St. Thomas.

In general, the scope consists of but is not limited to the following:

1. Procurement of three submersible pumps and one bar screen according to the below specifications
2. Install and operate a bypass pumping system to isolate the pump station for the duration of the equipment replacement.
3. Removal of existing pumps and installation of three new pumps with associated guide rails, brackets, connections to existing discharge piping, and cables to be connected to the existing motor control center. Commissioning required
4. Removal of existing bar screen and Installation of the new bar screen. Commissioning required.

Specifications:

Pumps: Flygt Model N3202.185, 1770 rpm, 45hp, impeller 278mm Hard Iron, 800 GPM, with 50 ft power cable

Barscreen: Headworks Model MS2 SS, Stainless steel, 1-inch screens, Max flow 2400 GPM, Channel dimensions are 4ft wide, 8 ft deep and 14 ft long.

VIRGIN ISLANDS WASTE MANAGEMENT AUTHORITY RESPONSIBILITY

1. Inspection and acceptance of work, to be performed by the VIWMA Division of Engineering and VIWMA Division of Wastewater during the process and upon completion of the job.

Notes:

1. The Contractor must possess the appropriate local business licenses and insurance to perform the specified work.
2. The Contractor must comply with all Federal and State Employment / Labor regulations including those from the U.S. "Occupational Safety and Health Administration".
3. The Contractor shall furnish all safety measures; and work areas must be kept clean and completely secured. (Barricade/security fence must be installed to prevent unauthorized access to the work areas and equipment).
 - a. Set up barricade/security fence around trenched areas, open manholes, and or heavy equipment.

VIRGIN ISLANDS WASTE MANAGEMENT AUTHORITY

- b. Maintain work area clean at all times and secure the same at the end of each workday to avoid accidents.
 - c. Proper signage should be in place at all times.
4. The Authority will provide access to all applicable areas as required for the Contractor to isolate and lock out all applicable energy sources as required for the Contractor to safely perform the specified work.
 5. The Contractor shall not perform any additional work that would result in an increase in the value of the agreed cost between the Contractor and the Authority without authorization from the Authority.
 6. The Contractor shall not purchase any additional materials for the project until the submittal(s) have been approved by the Authority. The Contractor shall supply all labor, equipment, and material as required to execute the proposed work.
 7. The Contractor is required to provide all permits required to perform the contracted work. All work performed by the Contractor must comply with local Building Code and National Electric Code.
 8. The Contractor must field verify all applicable information as required to submit their bid as well as ensure that the new equipment is installed properly.
 9. The Contractor must not disconnect or reconnect any source of energy within the building without an authorized representative from the Authority present.
 10. The Contractor is ultimately responsible for following all lockout / tagout and critical lift procedures as required to ensure the safety of their employees.
