**Virgin Islands Waste Management Authority  
INVITATION FOR BID**

Invitation No: IFB-005-T-2021

Date: April 23, 2021

**Bids, for the work described herein will be received electronically in PDF format to [sdavid@viwma.org](mailto:sdavid@viwma.org) and [jthomas-blyden@viwma.org](mailto:jthomas-blyden@viwma.org) on or before 2:00 p.m. on Thursday, May 20, 2021 Atlantic Standard Time. Any bid received after the time and date specified shall not be considered.**

**Pre-Bid Conference**

The Authority shall convene pre-bid conference and site visit Wednesday, May 5, 2021 at 9:30 a.m. Bidders will meet at the Eastern Gate of the Demarara Administrative Office, and then proceed to the Brassview Treatment Plant at Estate Bonne Resolution, St. Thomas, VI.

**Description of Work**

Brassview Waste Water Treatment Plant Hurricanes Irma and Maria Repairs, St. Thomas, VI

**Information regarding bidding documents**

Bidding documents can be obtained Procurement Division, Virgin Islands Waste Management Authority, 3200 Demarara St. Thomas, VI 00802.

All documents contained in the Contract Document book are made a part of this Invitation and by this reference incorporated herein as fully and effectively as if set forth in detail. The bidder's attention is directed to the fact that all applicable municipal ordinances, and the rules and regulations of all authority having jurisdiction over construction of the project shall apply to Contract throughout, and they will be deemed to be included in the Contract the same as though herein written out in full.

Bidders must return the following documents properly executed as required by the appropriate instructions. The documents shall remain bound and returned in the contract document book as received by the bidder from the Department of Property and Procurement

1. Invitation for Bids
2. Contractor's Qualification Statement (P&P-CQS-1973)
4. Bid Bond (Form Attached)
5. Non-Collusion Affidavit (DPP-NCA-52-75)

6. Bid Form and Schedule

7. Safety Plan

### **PREFERRED BIDDERS**

All persons seeking preferred bidder's status must submit a preferred bidder's registration form and a federal W-9 form to VIWMA's Procurement & Property Division and comply with the requirements for preferred bidders pursuant to 31 V.I.C. § 236a, as amended.

### **Bonds**

Each bid must be accompanied by a bid guarantee payable to the Virgin Islands Waste Management Authority. The bid guarantee shall be in an amount of not less than five percent (5%) of the total bid. The five percent (5%) Bid Bond will only be accepted in the form of a firm commitment, such as a Bid Bond, Postal Money Order, Certified Check, Cashier's Check or Irrevocable Letter of Credit. If Individual Sureties execute the Bid Bond, they shall be two or more responsible persons. A complete Affidavit of Individual Surety shall accompany the bond. Corporations executing the bond must be duly licensed to do business in the Territory of the Virgin Islands.

### **LICENSE REQUIREMENT**

An award will not be made to any firm or individual doing business in the Virgin Islands to perform work with the Authority until evidence is submitted that the said firm or individual has a valid V.I. Business License to do business in the Virgin Islands. Proposers must submit hard copy of a valid V.I. business license within ten (10) working days after award.

All Proposers submitting as Joint Ventures must be licensed as a Joint Venture in the Virgin Islands.

### **PERFORMANCE BOND**

A performance bond in the amount of 100% of the total cost submitted shall be required upon award of a contract. The enclosed form shall be used for construction work or the furnishing of supplies or services, whenever a performance bond is required. There shall be no deviation from this form except as authorized by the Virgin Islands Waste Management Authority.

The surety on the bond may be any corporation authorized under the laws of the Government of the Virgin Islands, any State or possession of the United States, or by the Secretary of the Treasury to act a surety, or two responsible sureties. Where individual sureties are used, this bond must be accompanied by a complete Affidavit of Individual Surety for each individual surety (Standard Form).

The name, including full Christian name, business or residence address of each individual party to the bond shall be inserted in the space provided therefor, and each such party shall sign the bond with his usual signature on the line opposite the scroll seal, and if signed in the United States Virgin Islands, and adhesive seal shall be affixed opposite the signature.

If the principals are partners, their individual names shall appear in the space provided therefor, with the recital that they are partners composing a firm, naming it, and all the members of the firm shall execute the bond as individuals.

If the principal or surety is a corporation, the name of the State in which incorporated shall be inserted in the space provided therefor and said instrument shall be executed and attested under the corporate seal as indicated on the form. If the corporation has no corporate seal the fact shall be stated, in which case a scroll or adhesive seal shall appear following the corporate name.

The official character and authority of the person or persons executing the bond for the principal, if a corporation, shall be certified by the secretary or assistant secretary, according to the form herein provided. In lieu of such certificate there may be attached to the bond copies of so much of the records of the corporation as will show the official character and authority of the officer signing, duly certified by the secretary or assistant secretary, under the corporate seal, to be true copies.

The date of this bond must not be prior to the date of the instrument in connection with which it is given.

## **LIQUIDATED DAMAGES**

- a.** It shall be agreed by and between the parties that liquidated damages will be assessed in the amount of Two Hundred Dollars (\$200.00) per day as a result of delays, or failure to complete the service within the specified period of time. Liquidated damages will not be assessed during any delay in performance of the services caused by acts of God, the public enemy, fire, floods, epidemics, quarantine restrictions, supplier's or vendors strikes, freight embargoes, or other cause beyond the Contractor's reasonable control. The Contractor shall make every reasonable effort to mitigate the effects of said causes.
- b.** The selected Contractor shall not be assessed with liquidated damages for delay in performance of the service caused by heavy rains, provided, however, that the Contractor notifies and receives approval from the Executive Director or her designee at the time of the incident, to be confirmed later in writing, each and every time that the Contractor desires relief as a result of said rains. The Executive Director's decision as to what constitutes a heavy rain event for this purpose shall be final.
- c.** The selected Contractor shall not be assessed with liquidated damages for delay in performance of the services caused by failure of the Authority to provide or perform those items of work required of the Authority under the contract. The Contractor shall have no claim for any additional compensation for any such delay.

## **REQUIRED DOCUMENTS**

**PUBLIC LIABILITY:** The successful Proposer will be required to obtain and have in place public liability insurance and other insurance necessary as requested in this proposal package. Insurance policy(ies) shall name the Authority as “**Additional Insured**”. The liability insurance shall have a minimum limit of not less than One Million Dollars (\$1,000,000.00) for any one occurrence for death or personal injury and One Million Dollars (\$1,000,000.00) for any one occurrence for property damage. Bidder must provide public liability insurance within ten (10) working days after award.

### **Davis-Bacon Act (DBA) 1931**

1. Contractor shall be responsible for maintaining weekly certified payroll records which must include:

- Any wages paid to employees
- Employee’s name
- Last four digits of the employee’s Social Security number
- The number of hours worked each day, and number of hours worked for the week
- Employee’s hourly rate of pay
- Employee’s job classification
- Any fringe benefits paid to employees

During a week of no work, the payroll reporting form must be submitted the usual way with insertion “NO WORK PERFORMED THIS WEEK” and “FINAL” on the last invoice.

The Act requires that contractors pay the prevailing wage, according to their skills, to its workers; failure to comply shall be reason for withheld payments, contract termination, and debarment from future federal contracts for up to three years.

### **Bid Withdrawal**

No Bidder will be allowed to withdraw his bid within a period of Sixty (60) calendar days following the date set for the opening thereof.

### **Right of Rejection**

**Virgin Islands Waste Management Authority** reserves the right to reject any or all bids if deemed to be in the best interest of the Authority.

**VIRGIN ISLANDS WASTE MANAGEMENT AUTHORITY  
3200 DEMARARA CHARLOTTE AMALIE, ST. THOMAS, V.I**

**Scope of Work for  
Brassview Hurricane Damages  
Estate Bonne Resolution, St. Thomas, U.S.VI.**

**Scope of Work**

1. The scope of work below details failure at Brassview Wastewater Treatment Plant due to Hurricane Irma and Maria. The work and responsibility of the Contractor consists of the following:
  - a. Perform repair or replacement to approximately 142 ft. of 8 ft. high chain link fence This work includes:
    - The replacement of bent or damage 2" galvanize fence posts
    - The replacement of barbed wire arms
    - The replacement of 3 strands class 1 barbed wired
    - The replacement of green fence lattice, and all associate accessories such as pipe sleeves, tension bands, etc.
  - b. Sand, prime and repaint the rust areas of the generator enclosure. Note that the final color shall remain bone white as the original generator color.
  - c. The clarifier is constructed with 4 skimmers that skim the top of the wastewater and scrapes the solids at the bottom of the tank. The Contractor shall replace the damage clarifier skimmer(s). This includes replacing the 2"X4"X5'-5" long flights that should be made from an impermeable/nonporous material; and the flight anchors constructed of stainless steel and bolts. Once the damage flights are replaced, the Contractor shall assure that the clarifier assembly is properly aligned making no contact with the side walls.
  - d. A 4'X8' sign is missing from the northeast corner of the WWTP. The Contractor will be responsible for erecting a wooden sign made of 4X4 post support and reading the following:

**VIRGIN ISLANDS WASTE MANAGEMENT AUTHORITY**  
3200 DEMARARA CHARLOTTE AMALIE, ST. THOMAS, V.I

**Note that some symbols are missing from the information above. Also, the blue color above may not print the shade required. As a result, the final design must be approved by VIWMA before printing. See the attached as an example of the sign design.**

- e. The contractor shall replace the plastic hand sink, designed for exterior service, with a similar hand sink to facilitate hand washing. The current tank is located back of the generator and near the south east side of the treatment plant.
- f. Clean and remove all construction material and equipment from site upon project completion.

Notes:

1. **As part of this bid package, the Contractor shall provide a schedule for this work assuming the bid is won and a notice to proceed is given in 30 days from the bid due date.**
2. The Contractor shall have 90 days to complete this work.
3. The cost for mobilization/ Demobilization shall not exceed 10% of the total project cost.
4. The VIWMA Vacuum truck or pump truck will not be made available to assist with any of the repair work. If needed, the contractor is responsible to solicit the services of a Vacuum or pump truck.

**VIRGIN ISLANDS WASTE MANAGEMENT AUTHORITY**  
**3200 DEMARARA CHARLOTTE AMALIE, ST. THOMAS, V.I**

5. The contractor will contact WAPA to identify and provide information on the underground utilities within the limits of the proposed work in both areas.
6. The Contractor will furnish all labor, materials, and equipment for completing each scope of work task. The Engineering and Wastewater Division will provide supervision.
7. The Contractor is responsible to clear surrounding area to access his work area and to facilitate the repair work.
8. The Contractor is responsible to restore landscaping to its original condition or better.
9. The Contractor shall furnish all safety measures; and work areas must be kept clean and completely secured. (Barricade/security fence must be installed to prevent unauthorized access to the work areas and equipment).
  - a. Set up barricade/security fence around trenched areas, and or heavy equipment.
  - b. Maintain work area clean at all times and secure the same at the end of each workday to avoid accidents.
  - c. Proper signage should be in place at all times.
10. Inspection and acceptance of work to be performed by the Engineering and Wastewater Division, during the process and upon completion of the job.
11. The Contractor shall keep the wastewater treatment plant in service and accessible at all times.
12. The Contractor is responsible for removing all contaminated soil from the site and disposed of at Bovoni Landfill after proper drainage. Coordinate with the Compliance Division.
13. The Contractor shall execute work and store materials in a manner to minimize any strong odors from disrupting the public.
14. The Contractor is responsible for all other required work whether implied or incidental to the proper completion of the project. This also includes all quality assurance, quality control, and systems acceptance testing
15. The Contractor must comply with all OSHA regulations of 29 CFR 1926 which includes but not limited to
  - i. Subpart C: General Safety and Health Provisions
  - ii. Subpart D: Occupational Health and Environmental Controls

**VIRGIN ISLANDS WASTE MANAGEMENT AUTHORITY**  
**3200 DEMARARA CHARLOTTE AMALIE, ST. THOMAS, V.I**

- iii. Subpart E: Personal Protective and Life Saving Equipment
- iv. Subpart G: Signs, Signals, and Barricades
- v. Subpart O: Motor Vehicles, Mechanized Equipment
- vi. Subpart M: Fall Protection
- vii. Subpart P: Excavations

16. The Contractor must also comply with OSHA's 1910:

- i. Subpart I: Personnel Protective Equipment
- ii. Section 134: Respiratory Protection
- iii. Subpart J: General Environmental Control
- iv. Section 141: Sanitation
- v. Section 143: Non-water carriage disposal systems
- vi. Section 146: Permit required - confined spaces

17. In the event of any unforeseen circumstance before proceeding with the work it is important to contact the designated person from the Engineering or Wastewater Division.

18. The Contractor along with assistance from the Engineering or Wastewater Division shall coordinate and provide documentation of notification of pending work to owners of all existing utilities, structures, and appurtenances not scheduled for removal.

19. The Contractor shall properly safeguard all existing utilities, structures, and appurtenances not scheduled for removal and shall restore and repair any such items or facilities damaged by his/her operations.

20. The Contractor is responsible for all other required work whether implied or incidental to the proper completion of the project. This also includes all quality assurance, quality control, and systems acceptance testing.

(Notary)

**TERMINATION OF CONTRACTS**

CONVENIENCE OF THE AUTHORITY

(a) The performance of work under this contract may be terminated by the Authority in accordance with this clause in whole, or from time to time in part, whenever the Contracting Officer shall determine that such termination is in the best interest of the Authority. Any such termination shall be effected by delivery to the Contractor of a Notice of Termination specifying the extent to which performance of work under the contract is terminated, and the date upon which such termination becomes effective.

(b) After receipt of a Notice of Termination, and except as otherwise directed by the Contracting Officer, the Contractor shall:

- (i) stop work under the contract on the date and to the extent specified in the Notice of Termination;
- (ii) place no further orders or subcontracts for materials, services or facilities, except as may be necessary for completion of such portion of the work under the contract as is not terminated;
- (iii) terminate all orders and subcontracts to the extent that they relate to the performance of work terminated by the Notice of Termination;
- (iv) assign for the Authority, in the manner, at the times, and to the extend directed by the Contracting Officer, all of the right title, and interest of the Contractor under the orders and subcontracts so terminated, in which case the Authority shall have the right, in its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts;
- (v) settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts with the approval or ratification of the Contracting Officer, to the extent, he may require, which approval or ratification shall be final for all the purposes of this clause;
- (vi) transfer title and deliver to the Authority in the manner, at the times, and to the extent, if any, directed by the Contracting Officer (A) the fabricated or un-fabricated parts, work in process, completed work, supplies, and other material produced as part of, or acquired in connection with performance of, the work terminated by the Notice of Termination, and (B) the completed or partially completed pans, drawings, information, and other property which, if the contract had been completed, would have been required to be furnished to the Authority.

- (vii) use his best efforts to sell, in manner, at the times, to the extent, and at the price or prices directed or authorized by the Executive Director, any property of the types referred to in (vi) above; provided, however, that the Contractor (A) shall not be required to extend credit to any purchaser, and (B) may acquire any such property under the conditions prescribe by and at the price or prices approved by the Executive Director and provided further that the proceeds of any such transfer or disposition shall be applied in reduction of any payments to be made by the Authority to the Contractor under this contract or shall otherwise be credited to the price or cost of the work covered by this contract or paid in such other manner as the Executive Director may direct;
- (viii) completed performance of such part of the work as shall not have been terminated by the Notice of Termination; and
- (ix) take such action as may be necessary, or as the Executive Director may direct, for the protection and preservation of the property related to this contract which is in the possession of the Contractor and in which the Authority has or may acquire an interest.

(c) After receipt of a Notice of Termination, the Contractor shall submit to the Executive Director his termination claim, in the form and with certification prescribed by the Executive Director. Such claim shall be submitted property but in no event later than one year from the effective date of termination, unless one or more extensions in writing are granted by the Executive Director, upon request of the Contractor made in writing within such one year period or authorized extension thereof. However, if the Executive Director determines that the facts justify such action he may receive and act upon any such termination claim at any time after such one year period or any extension thereof. Upon failure of the Contractor to submit his termination claim within the time allowed, the Executive Director may determine, on the basis of information available to him, the amount, if any, due to the Contractor by reason of the termination and shall thereupon pay to the Contractor the amount so determined.

(d) Subject to the provisions of paragraph (c), the Contractor and the Executive Director may agree upon the whole or any part of the amount or amounts to be paid to the Contractor by reason of the total or partial termination of work pursuant to this clause, which amount or amounts may include a reasonable allowance for profit on work done; provided, that such agreed amount or amounts, exclusive of settlement costs, shall not exceed the total contract price as reduced by the amount of payments otherwise accordingly, and the contractor shall be paid the agreed amount. Nothing in paragraph (e) of this clause, prescribing the amount to be paid to the Contractor in the event of failure of the Contractor and the Executive Director to agree upon the whole amount to be paid to the Contractor by reason of termination of work pursuant to this clause, shall be deemed to limit, restrict or otherwise determine or affect the amount or amounts which may be agreed upon to be paid to the Contractor pursuant to this paragraph (d).

(e) In the event of the failure of the contractor and the Executive Director to agree as provided in paragraph (d) upon the whole amount to be paid to the Contractor by reason of the termination of work pursuant to this clause, the Executive Director shall pay to the Contractor the amounts determined by him as follows; but without duplication of any amounts agreed upon in accordance with paragraph (d).

B-10.3

- (i) for completed supplies, materials and equipment or services accepted by the Authority (or sold or acquired as provided in paragraph (b) (vii) above) and not theretofore paid for, a sum equivalent to the aggregate price for such supplies or appropriately adjusted for any saving of freight or other charges.
- (ii) the total of:
  - (A) the costs incurred in the performance of the work terminated, including initial costs and preparatory expense allocable thereto, but exclusive of any costs attributable to supplies or services paid or to be paid for under paragraph (e) (l) hereof;
  - (B) the cost of settling and paying claims arising out of the termination of work under subcontracts or orders, as provided in paragraph (b) (v) above, which are property chargeable to the terminated portion of the contract (exclusive of amounts paid or payable on account of supplies or materials delivered or services furnished by subcontractors or vendors prior to the effective date of the Notice of Termination, which amounts shall be included in the costs payable under (A) above; and
  - (C) a sum, as profit on (A) above, determined by the Contracting Officer to be fair and reasonable; provided, however, that if it appears that the Contractor would have sustained a loss on the entire contract had it been completed, no appropriate adjustment shall be made reducing the amount of the settlement to reflect the indicate rate of loss; and
- (iii) the reasonable costs of settlement, including accounting, legal, clerical, and other expenses reasonably necessary for the preparation of settlement claims and supporting data with respect to the terminated portion of the contract and for the termination and settlement of subcontract thereunder, together with reasonable storage, transportation and other costs incurred in connection with the protection or disposition of property allocable to this contract.
